Nevada City Nugget

VOLUME III, NUMBER 47 THE GOLD CENTER NEVADA CITY, NEVADA COUNTY, CALIFORNIA, THE COUNTY SEAT PAPER OCTOBER 7, 1923

MINING CHAPTER IS FORMED HERE

In one of the most enthusiastic meetings ever held in Nevada county in behalf of the mining industry, a chapter was formed Saturday in Nevada City which will be a component part of the new state association formed in Sacramento last month. The meeting which was largely attended was held in the Elks building and was preceded with an Italian dinner which was enjoyed with much gusto.

During the dinner hour, state director Arthur W. Hoge introduced Congressman Harry L. Engelbright as the chairman of the day who in a masterly keynote speech outlined the pressing need for organization in the mining industry. Formal welcome was extended the visitors by Mayor A M. Holmes for the city trustees and W. E. Wright as president of the Nevada County Development Association.

James D. Stewart was named as the permanent chairman and will name his committees and vice chairmen. A. A. Willoughby was elected secretay-treasurer.

Rapid fire speeches were the order of the day throughout and much information was given as to the proposed workings of the state association which has stepped into the breach at a time when it appeared as if gold mining was struggling under too much of a handicap to get fully onto its feet again.

The matter of compensation which has become a regular bugbear in adding heavily to the cost of mining was ably discussed by Charles S. Brooks of Sacramento. chairman of the insurance committee of the state association. The association propose to set up during the coming year a cooperative plan of insurance which will greatly reduce the present cost. The taxation was another topic handled by the speakers.

Other speakers making interesting remarks were Judge George L. Jones, Judge F. T. Nilon and Charles A Logan.

The following resolution was introduced and was unanimously carried:

"Be it hereby resolved, That it be the sense of this meeting that a Mining Chapter be formed in Nevada, Sierra, Yuba and Placer counties as a unit of the Mining Association of California, and that a permanent chairman and secretry-treasurer be at this time elected. the chairman to have power to appoint the necessary committees to perfect the organization and report at a later date.'

The new chapter starts off with an inittial membership of 50 and ths will be largely increased. The presenece of a number of Nevada City business men was especially noticed and favorably commented on. A meeting will shortly be called to perfect the organization.

Resolutions were passed commending Congressman Engelbright for his work in behalf of the mining industry.

Membership cards and full information will be available at The Nugget office at any time.

NEVADA CITY VISITED BY A DEER SATURDAY

It is amusing to think of the brave hunters going out into the wilds after the elusive buck when we have them right here in Nevada City. J. H. Suss was awakened early Saturday morning by some animal running alongside his home at great speed. He was mystified until Charley Genasci came along. When Charley had heard the story he immediately said it was a buck deer and went out to examine. He found the tracks of a large buck headed east up Boulder street, the deer having probably come up Deer creek. Charley said it looked like a three or four pointer.

A fire catching from the chimney set fire to the Henry Knight house on Grove street at an early hour last week but was extinguished before much damage was done.

The many friends of Charles E. Guenther, Sr., are glad to see him about again after a recent sick spell.

ALLISON RANCH MINE DEVELOPMENT MOVING

Development work at the Allison Ranch mines consists at present of driving a tunnel into the hillside at the property to locate several veins encountered in the lower workings. No move has been made yet by the new owners to commence unwatering of the property but is expected to get under way as soon as the tunnel has proven up the location of the ledges.

Edward H.Cramer is in charge of the operations.

FRENCH CORRAL ITEMS

FRENCH CORRAL, Oct. 5, (Special to The Nugget)—Another week of dryness! Surely that much wished for rain would not be guilty of such a trick as holding off until October 6th and spoil our Buck Stew meeting!

The past week has been an eventful one, and we are thankful that we still have the main part of French Corral left. The fire demon seems determined to swallow up the good old place. Sunday morning another of our old land marks went up in smoke. The old "Glaister place" that must have been built in the late 50's is now a pile of ashes. It was built by the late Wm. Glaister who was one of the early pioneers of this place. A good many years ago Mr. and Mrs. Glaister moven to Grass Valley to be near their nieces, Mrs Belie Wheeler and Mrs. Minnie Pingree. Both passed away at that place. We deeply regret the passing of our old landmarks and in the past four years so many have been consumed by fire. It was only by the united efforts of men, wmen and children carrying water from wells and fighting with wet sacks that the store of W. E. Moulton and the Smith barn were saved. Both buildings were on fire several times The Glaister house was occupied by Mr. and Mrs. Fred Clark and family of five children, and they had only time to get out and grab a few clothes as they went. When Mr Clark got up he discovered the woodshed on fire on the inside and as it was attached to the house, the whole building was soon ablaze and he had only time to arouse his family and get them out. The supposition is it caught from ashes that had been taken out the night before. The house was owned by W. E Moulton and N. B. Bishop. Our fires seem to have a particular spite against W E Moulton, and and A. Browning.

Columbia Parlor No 70 N. D. G. W. held a meeting Friday afternoon. After the Parlor adjourned delicious refreshments were enjoyed by the members.

W W. Washburn called on French Corral friends while enroute to his home in North San Juan Friday.

W. E Moulton made a trip to Nevada City and North Bloomfield Friday. His daughter, Louise, returned from the latter place with him to spend the week end at home.

Mr. and Mrs Clarence Hoffman and son, Cecil, came up from Sacamento Saturday evening and returned to that place Sunday. As they had lived here many years they always call this place "home". Their son, Milton, and his bride came Sunday morning and returned to Sacramento that evening. They were married September 23rd.

A. Browning and son, Clyde, and Jiggs Fogarty went to Cornish Meadows Sunday to enjoy a deer hunt.

Earl Chatty of San Francisco came Saturday evening and will visit the family of J H. Culver for the week.

Mrs. A Labour and her mother, Mrs K. Broyles, of Sacramento were Sunday visitors.

Mr. and Mrs. Harold Osgood of Bangor visited relatives in French Corral Sunday.

The bus which conveys the Ridge pupils to Nevada City High School, met with an accident Monday and was badly wrecked. Fortunately none of the occupants were seriously hurt.

Mr. and Mrs Joe Keleher of Berkeley, who have been spending a vacation with relatives at Monte-

MINE MACHINERY AT THE SIBERIA

With the installation of electric power facilities, the Siberia mine is ready to enter on a new campaign of development at Badger Hill. A two compartment vertical shaft is to be sunk at once to a depth of 150 feet for prospecting purposes and will be enlarged to a three compartment as cnditions warrant. The company has done considerable underground development since taking over the property from the Bigelow brothers and has opened up some promising ground.

Extensive surface equipment has been installed including a new electric hoist of ample capacity to handle to considerable depth. A 440 cubic foot air compressor and machine drills will be used. A machine and blacksmith shop is being constructed. Machine drill sharpeners will be used. The power was turned on the past few days after a long wait and will tend to speed up development operations in good shape.

The Bigelow brothers had developed the property as their funds permitted and had opened some good quartz. The company is amply financed in its operations and no stock is available.

E. B. Frost is resident manager.

ELKS BIRTHDAY WILL BE CELEBRATED SOON

The 30th birthday of Nevada City Elks Lodge will be celebrated on the evening of October 14th with Past Exalted Ruler and Past District Deputy Philip G. Scadden as chairman of the arrangements committee. It is hoped to have all the charter members present on that occasion.

MINING LOCATIONS ARE PLACED COUNTY RECORD

R. N. McCormack has filed for record the Fraction quartz claim in Canada Hill Mining District in SE¼SE¼ Sec. 18 T16N R9E.

EDWARD EDWARDS PASSES

Edward Edwards, for some years past a resident oft the Masonic Home at Decoto, passed away last week. The remains were brought to Nevada City and interment services were held on Friday afternoon, the officers of Nevada Lodge conducting the services. He was engaged in mining while here. He was also a member of the Odd Fellows and Rebekahs.

MANAGING BOARD MEETS

The board of managers of the Northern Section of the California Scholastic Federation met at the Sacramento hih school Saturday. B. F Wilson, principal and C. E. Pedersen, athletic coach of the Nevada City high school were present.

The question of whether any one except teachers, pupils and parents could be admitted to athletic games fo a term of three conecutive years was brought up for reconsideration.

George Osterman, who is in the employ of the McGraw Company spent a week here visiting his mother, Mrs. Clara Scarfe. They left for Hollywood Tuesday, where Mrs. Scarfe will visit for a couple of weeks. Mr. Osterman will resume his duties with his company. He has just completed a several months business trip in Northern California, Oregon, Washington and Canada.

Mr. and Mrs. A Skelley of San Francisco, old time friends of Mr. and Mrs. E. De Prati of this place paid them a visit last week. They were on their way from Tahoe and just "dropped in". They too are quite charmed with our lovely country and think of having a home here. This wonderful climate would cham most anyone.

Mrs. F S. Wood of Sweetland and her sister, Mrs. Benson and little daughter of Oakland, and brother-in-law, Mr. Morrison, of Sacramento were Thursday visitors. With all the dryness they think our part of the country "perfectly lovely".

PIONEER MINE IS FOR NEW SHAFT

Development work at the Pioneer mining properties south of town has opened up such alluring prospects that the company is making plans to sink a standard compartment vertical shaft at an early date and nstall milling facilities. Officials of the company who made a thorough examination of the underground workings last week expressed themselves as highly pleased at the showing that has been made.

Exploration work on the 200 level has disclosed a four food shoot of fine milling ore shot with free old at a point about 300 feet from the present prospect shaft. Scheelite whcih is characteristic of the Union Hill ore is also present in considerable quantity. The various drifts run have opened up ledges at various points indicating the presence of considerable quartz, much of which carries milling values.

In the party making the exploration Friday were engineer E. N. Hawkins, President Frank Lassen Superintendent H. H Marsh, C. C. Mitchell, owner of the property, August Miller and George Gibson. Lassen and Gibson took over the property a couple of years ago from Mitchell under bond and have since spent the time in underground development with the result that they have opened what promises to develop into a real producer. It is adjacent to the famous Idaho Maryland and the ore exhibits many of the characteristics which made the Idaho one of California's famous properties in past years. Ore exhibited from the workings shows heavy mineralization and free gold.

NORTH SAN JUAN JOTS

NORTH SAN JUAN, Oct. 5, (Special to The Nugget)—A. Browning of French Corral was a business visitor Tuesday.

N Thompson of Sweetland spent several hours in town Wednesday.

Mr. and Mrs E Ingraham motored to Grass Valley Wednesday.

Mr and Mrs. M. Carlson and Dick Rrodes of Camptonville were in twn Wednesday.

Mrs. H Klenzendorf and son, Frank, of Camptonville were in town enroute to Nevada City Tuesday.

Those attending the show and dance at Camptonville Tuesday night: Misses Evelyn Kessler, Lucille Fogarty, Helen McCullough, Loretta Bartsch, Marguerite Rodgers, Mrs. J J. McCullough, Wayne Hunter, Harold Shiffling, Ray McCullough, Mrs. R. Bartsch, son Raymond, and Mrs. J. Kelly, Mr. and Mrs. I. Musfield and son Homer.

Mrs. H. Huckins and Lucille Fogarty motored to Downieville Thursday.

Wm. Lackland had the misfortune of breaking several ribs last week in a fall. All wish him a speedy recovery.

The San Juan Ridge Water Users Association gave a Buck Stew, Sunday, October 6th in Tabor's field. A base ball game was played in the afternoon, Alleghany and Nevada City.

fd*....n-CxoWedn , have cS...

Mr. and Mrs. E. B Frost of Siberia mine were business vititors Tueday.

Irma Pinagalia, Laurence Pinaglia and Jimmy Warner of Sacramento spent the week end visiting Mrs C. Wodell.

Mr. and Mrs. J T. Fogarty have returned to Hammonton after a two week's vacation at Birchville.

Chas. Covell left for Colfax where he is employed.

Harry Browning and Millie Clerkin of French Corral passed thru town with two nice large bucks.

Jean McCullough and John Bita of Bekeley are spending the week end deer hunting.

Jack Phelan of Tyler was a business visitor Tuesday.

Dick Rhodes of Garden Valley had the misfortune of fracturing several ribs while working at his home.

The buck stew served by the Peardale Farm Center last week proved an enjoyable affair. A rodeo was also staged. W. E Parsons was chairman of the day.

LORENZ DOING GOOD DEVELOPMENT WORK

CAMPTONVILLE, Oct. 7.—Work is progressing nicely at the quartz property now being operated by L. F. Lorenz, of Los Angeles. This claim was formerly called the Twin Quartz Claims, but will probably be named Thunder Mountain by the new operators.

Lorenz took these claims over from Leonard Foote of Indian Valley and has been doing preparatory work for the past two months. He has moved in a gasoline engine of a large type to furnish power, and has put a good compressor on the ground. They are now taking in several thousand feet of lumber for a boarding and bunk house and other necessary buildings.

A new tunnel has been started and good headway has been made, there being several ton of rock ready for the mill. The rock has been severely tested and assayed and brings a very good average value per ton. Every indication for the making of an excellent property is apparent.

Considerable favorable comment has been voiced in the manner in which this property is being conducted, and the community wishes Mr. Lorenz every success in the undertaking.

ROUGH AND READY JOTS

ROUGH and READY, Oct. 5, (Special to The Nugget)—Although the past few days are much warmer the nights remain cool although we have had no fost as yet. The tree ae changing color giving every indication of fall. Every day one or more bands of cattle or sheep pass enroute to the lower cuntry for the winter.

Mr. E. Hunt of the State Automobile Association was a visitor here during the past week.

Miss Dorothy Ennor left Sunday for Wodland where she will be employed at the Woodland Clinic doiny secretarial work. Miss Ennor is a graduate of St. Marys.

Jesse Ennor and family have returned from Jackson Meadows where they spent the summer.

Jesse Fippin was a visitor from Sacramento Sunday. He came up to hunt deer but had no success.

Frank Seley, Ben Taylor and Gene Cleveland went to Jackson Meadows Saturday night deer hunting, but with no success.

Mr. and Mrs. Al Wheaton and daugnter, Viola, were Sunday visitors with their daughter, Mrs. A. E. McCrea.

The Sunday school here has been reorganized by Mr. Todd of Sacramento and will resume its classes next Sunday, with Mrs John Fippin as superintendent.

No school was held here Friday owing to Mrs. Margaret Wilson, teacher, having a severe cold. Mrs. Wilson has 25 pupils this year and they are all doing good work.

The many friends of Mrs. E. E. Townsend former resident, will be glad ao hear that she is settled in Daniel, Wyoming, with her daughter and is in excellent health and sends best wishes to all her old friends here. She says she will never forget Rough and Ready and her kind and thoughtful neighbors.

Mrs. Henry Walters has a bad attack a few days ago caused by high blood pressure, but is much improved.

Ethel Capps, twenty month old daughter of Mr. and Mrs. R L. Capps, who was taken suddenly ill last week with convulsions is very much improved, but is still rather weak.

A. E. McCrea has gone to the Nevada City Sanitarium for a few days to take treatments.

Mr. Dickhouse of the Pacific Coast Automoble Associaton was a visitor here Friday.

SCHOOL BUS TIPS OVER

The school bus bringing pupils from French Corral and North San Juan went over the grade early last week while on its way to Nevada City. The bus was driven too close to the edge and the ground gave way. It tipped over gently however and noe of the passengers were injured.

BLUE LEAD MINES CHANGE HANDS

As the first concrete results of the campaign which this newspaper has waged for the rehabilitation of the hydraulic mining industry in this section comes the announcement from Sacramento of the filing of incorporation papers by Mines Operating Corporation, Ltd., a 250,000 share no par value company.

This new company has taken over the entire holdings of the Loftus Blue Lead Mines Company in the Slate Creek District in Sierra county, which holdings are considered among the most extensive and richest hydraulic deposits in the entire State. The Loftus company is controlled by P. M. Logan, widely known oil operator whose most recent success has been the development of the Kettlemen Hills oil fields; and E. A. McKanna, nationally known oil and mining engineer who has been associated with Longan for many years. In addition to their control of a large number of key properties, located along the famous Port Wint Channel, they have acquired very valuable water rights which make the operaton of the properties possible. This company also has under contract debris storage space behind the Bullard Bar dam amounting to 25,800,000 cubic yards, which gives some indication of the anticipated operations of this company.

Mines Operating Corporation, Ltd., will act as the operating group for the Loftus company, the directorate of both being more or less interlocking. The incorporators of the new company are: John M. Longan, son of P. M Longan; E A. McKenna; Robert L. Hanley, prominent Los Angeles attorney; and J K. Macomber, former chairman of the Board of Supervisors of Tulare county.

General offices of both companies will be maintained in Los Angeles, while Mr. Hanley will act as resident manager of the properties. He has a large crew of men at work at the present time, getting the properties in shape for early operation next year. A considerable sum of money is being spent in enlarging reservoirs and deepening the bedrock drain at the Howland Flat workings, where first operations are to start.

Charles S. Haley, formerly connected with the California State Mining Bureau, in "Bulletin No. 92—Gold Placers of California", which was issued by the state in 1923, gives these properties a very strong endorsement, classing them among the most extensive and profitable placer properties in the state.

It is anticipated that this renewal of activities of hydraulic mining in this section will have a very stimulating effect among the smaller owners with the result that hydraulic mining will again take its place as one of the great industries of this section of California.

POWELL WAS VISITOR

F. S Powell, secretary of the Truckee Sanitary District, was a Nevada City visitor Thursday. He was called over by the hearing of the case brought by the District involving the dumping of garbage by an unauthorized person inside the district and which was lost. The case was transferred from the Meadow Lake court to Judge Mulroy's court in Grass Valley. The District is expecting to remove their ordinances and have them passed by the board of supervisors so that they will be airtight.

DEAL LIKES NUGGET

Robert H. Deal, who has resided here all his life, and of late at Lady Bug on Horse Valley Creek, left Saturday for Sacrameto where he will reside with his son, Richard R. Deal. Although Bob expects to be back frequently, his many friends here will miss him. He has been an ardent subscriber of The Nugget since the paper started, and has now subscribed to have it follow him to Sacramento so that he can keep in touch with the doings in the old home town.

WINNERS OF SLOGAN

The English students of the Nevada City High School have participated in the Fire Slogan Contest. One hundred and four slogans were entered. The school is proud to say that the first and second winners were chosen from slogans entered by the students of the High School. Bob Tucker won the first prize with the slogan,

"Animals cannot live without forests. Neither can you. Protect them."

The second prize was won by Margaret Rector who entered the slogan,

"Douse your fire, every spark,
Save the forest, nature's park."

Honorable mention was given to Harry Davey who entered the slogan,

"Don't destroy the forest by its own product the match."

LLUSTRATIVE EVENTS

This week starts the use of the projecting machine purchased by the Board of Education. The illustrated Current Events come to us weekly from the University of California Extension Department. The film was paid for by last year's Freshman Civic Club with donations from the Sophomore and Junior Classes.

The pictures are still pictures, and a lecture accompanies each film. One set includes from eighteen to twenty different subjects.

CIVIC CLUB PICNIC

The Freshmen Civic Club under the direction of Mr. Kjorlie had a weenie roast at Sugar Loaf last Thursday. The picnic was very successful and everyone had a good time.

FACULTY ENTERTAINED

Mr. and Mrs. B. F. Wilson entertained at dinner and bridge at their home last Friday evening. The guests for the evening were Mr. and Mrs. H. E. Kjorlie, Miss Mabel F. Main, Mrs. Ruth Hulen, Miss Ann Whelan, Miss Thelma Leschinsky, Mr. C. E. Pedersen, Mrs. R. E. Werner, Miss Agnes O'Neil, and Mr. W. A. Carlson. The high prizes were won by Mrs. Hulen and Mr. Carlson.

BACK TO SCHOOL

IS BIG IDEA FOR THURSDAY EVE

Plans are being made to entertain the parents of all pupils in the Nevada City High School on Thursday evening at 7:30.

It is planned to have the parents go through the complete schedule of classes, attending every class including, music, physical education, etc., following the same that the son or daughter follows daily. The difference will be trat the perods will each be only 10 minutes in length, and that the parents will not be called upon to recite. After the strenuous first day of school a hort prgram will be given, light refreshments served, and the school will be dismissed.

The Big Idea is to give the parents a chance to become acquainted with the teachers and to learn more about the school and its work.

No doubt most of the parents will set aside this night for the coming event. A cordial invitation is extended to all parents.

E. J. Haverstock, owner of a hotel at Washington, spent some time in Nevada City the latter part of the week.

JUNIOR RINGS

As it is an annual custom in our school for the Junior Class to purchase rings or pins as a rememberance of their happy high school days, the Junior Clas of "31" held a meeting, September 18, in Mrs. Ruth Hulen's room to consider this matter. It was thereupon decided, after much voting which pattern the majority of the class desired. This was a very pretty, though simple, gold ring, yet a little more expensive than those of previous years. Although advised by Mr. Wilson and Mrs. Hulen to select a cheaper design, all were determined to have this and no other. The girl's rings were $7.50, the boy's $8.00 and the pins $4.75. However, the rings were preferred, only a few ordering pins. Luckily, for the post master, the date of their arrival is unknown, for it is certain that if it were those irresistible Juniors would be seen tearing into the post office and demanding their property or serious results, so enthused are the Juniors over their class rings!

OFFICERS ELECTED

The Glee Club of the Nevada City High School met Thursday, October 3, 1929 in the eighth period to organize the club. Twenty five pupils signed up for "Glee". The officers were elected as follows:

Dorothy Tamblyn ..... President
Carl Murchie ..... Vice President
Beth Stedger ..... Treasurer
Betty Bettles ..... Secretary
Ruth Rector ..... Librarian

Preliminary voice trials were given and a few songs were sung.

PREPARE FOR BASKETBALL

Wednesday afternoon during the physical education period Mr. Pedersen classified the boys into four groups according to grade weight, height and age. This is a requirement of the California Interscholastic Federation. Every school must do this so that boys from different schools will play against other boys of thier own classification.

The classification shows very good prospects for teams this year, especially the A and B teams. This is hoped to be one of the best years of basket-ball that the school has known.

SENIOR MEETING

On Thursday, September 26, the Seniors held a meeting in Mr. Kjorlie's room to discuss the present and future activities of the class. Vivian Cerro, Lena Ghidotti, Dorothy Tamblyn, Holden Pierce and Addison Janes were chosen as a committee to work out a year's program for the class. Mr. Wilson this year, suggested that each class give a program for the student body. A cmmittee of three members, Isabella Flynn, Thelma Boreham, and Nadine Sutton were chosen to make plans for this program.

Mr. Kjorlie suggested that this year's class leave a memorial to the school, but no action was taken on this subject.

The class was urged to pay their student body and class dues. As there was no other business, the class adjourned.

EDITORIAL

LET'S NOT DESTROY SCHOOL ACCESSORIES

By Genevieve Evans

Let's not destroy our school accessories. By this I mean the pencil sharpeners, the fountains, the blackboards, the books and the desks. To break or destroy any of these articles is only hurting ourselves because after all they are in the school for our use, and to make it a more convenient place for us to study in.

It would be a great trial for us if there were no pencil sharpeners. We would have to harpen our pencil at home. If trey became dull, they would have to remain dull till the end of the day. As it is now we can sharpen them nearly every time we wish.

We all know why we should not break our fountain. Yet occasionally it becomes broken. We do not think it is deliberately broken but nevertheles we should be more careful. We all know how inconvenient it is if the upstairs fountain is broken and we have to go downstairs to get a drink.

We should be more careful not to throw snow or other things at our blackboards, mainly because it gives a bad impression to people who visit our school, and also because it makes the board hard to write on.

Let's try to keep our books in good condition. Of course books are apt to become a little worn after a year's use, but we should not write in them nor tear the pages.

Also let's keep our desks clean for two reasons. If a desk is covered with pencil marks, it gives the room a slovenly appearance and also it may scil our clothes. So now I think we can see why we should be careful with school accessories.

I think so far this year we are being quite careful and deserve to be complimented. So let's keep up the good work.

ATHLETIC

Mr. C. E. Pedersen, Bob Polglase and Addison Janes attended the California Interscholastic Federation meeting at Stockton. At this meeting Nevada City asked to be re-instated into the Sierra Football League. The penalty, that only students and parents will be admitted to the games, was discussed and will be reconsidered at a meeting that is to be held next Saturday. Bob Polglase gave the students' side of the situation at the meeting.

The new tennis court that Nevada City High School boasts of, seems to be holding its own in popularity. In fact, so great is the demand for it that the players have been forced to play three game sets, releasing the court to others at their completion. From all appearances there will soon be some real players for the school to boast of, capable of matching Bill Tildon or Helen Wills. Bill Tamblyn from all appearances is "the tennis player" altho he is getting much competition among the less experienced players. Bill Rector is developing a nice drive. That doesn't mean the ball has to land on the court. His motto is "Hit the ball no matter where it goes". "Hippo" sometimes thinks he's playing baseball and tries to make spectacular pick-ups. However, we soon hope to compete with the best in the state.

Addison Janes, "30"

FRESHMEN VICTORS

The Nevada City High School Freshmen walloped the Nevada City Grammar School by a 48 to 0 count Wednesday night. The Frosh showed up well by holding "em" and passing their way to the fist defense in the last quarter by holding the Freshies to one touchdown and their offensive by taking the ball to the middle of the field. The Grammar grades never threatened the Freshmen goal, but they are to be congratulated on the sportsmanship which they showed.

SOCIETY REORGANIZES

Under Mrs. Ruth Hulen's supervision members of the Scholarship Society Chapter No. 10 plan to reorganize, in spite of the extremely small roll. Although the records of last semester have been carefully scanned to determine those deserving the honor of membership, three names have been the only result of this effort. The members are, Barbara McMinn, Sophomore; Nadine Sutton, Senior; Kathleen Greenway, postgraduate.

Kathleen Greenway ,who graduated last June, is a life member, having fulfilled the requirement of being a member of the society six consequtive semesters.

The present members are attepmting to arouse interest among the rest of the students .They feel as though three members is a shamefully small percentage for a school of this size. With this object in mind on Thurday, October 3, 1929, various members spoke to the Student Body. They pointed out the advantages, both while one attends high school and after one has gone to an institution of higher education. Honor Society members are given many priveleges at school that are denied other students. This in itself makes the honor woth trying for, but when one considers the great advantage a life member has over others, when entering college, all the many hours of toil spent in gaining membership have been more than repaid.

A life member is entitled to a faculty advisor in almost all California colleges. This advisor helps him select his course of study and advises him in a general way. This is a great help, when one is starting college, because if a student gets a good start half of the battle is won.

The requirements for membership are ten points. These ten points are figured on the following basis:

A grade of A will count as 3 points.

A grade of B will count as 1 point.

Grades of C. D, and E are not honored.

If a student is a member of this sciety for six consecutive emesters, one of which has been during his Senior year he is entitled to life membership.

Some of the projects that the society are working on are temsociety is working on are temporary membership, novitiate pins, and the scholarship fund.

The members have adopted an amendment under which any student making ten points on the six week report will be allowed to be a temporary member, that is a member for the ensuing six weeks. These members will participate in the activities of the group.

The society is also planning in buying the novitiate pins, which are pins symbolizing the meaning of the organization. These pins will be given to the various members providing they make a deposit covering the cost of the pins. If membership lapses, the pins must be returned to the individuals.

Another project which the membes plan on carrying out is that of the scholarship fund. Last semester they planned on awarding a fund of fifty dollars to the graduating student judged most worthy. This plan was carried out and the first payment has been forwarded. However, it is necessary to raise the remainder of the money. For this purpose the society is giving a luncheon on Wednesday, October 10, 1929. A charge of twenty-five cents per plate will be made. It is hoped by the members that the student body will patronize this luncheon hundred per cent.

TEST WEEK

Tests for the first six weeks period were given last week. The report cards will be given out Wednesday, the marks counting one-third on the tests and two-thirds on the daily work.

TYPING TEST

In the fifteen minute typing test given Friday afternoon by Mrs. R. Hulen, the commercial instuctor at N. C. H. S., Edith Casci made honorable marks for accuracy, having an average of only four errors. Kathlyn Greenway was highest in speed, her average being fifty-two words.

GIRLS' ASSOCIATION

Thelma Boreham, President of the Girls' Association, has recently received a letter from the Women's Civic Improvement Club stating that they wish to assist in meeting the immediate needs for equipment of the high school They also requested that a committee of girls would be present at their next regular meeting in order that they may discuss the subject together. All the girls in the high chool as well as the Girls' Association cannot adequately express their appreciation.

The Women's Improvement Club deserves much praise for the way in which they have cooperated with the school and students. They have volunteered assistance on many projects. It was mainly through their untiring efforts that the grounds were planted with shrubbery.

The Nevada City High School takes this opportunity to give a vote of thanks to the Women's Civic Improvement Club for the interest shown.

CHEROKEE PROSPERS

CHEROKEE, Oct. 5, (Special to The Nugget)— Mr and Mrs. John Meehann and son, Alton, of Sacramento were visiting friends and relatives here and at Columbia Hill last Sunday.

Mrs. Frank Woods and son, Carl and Miss Ester Reader of Sweetland were visiting here Saturday.

Mrs E. McCullough and daughters, Bessie and Lavina, and Mr. Harris of San Juan were visitors here Friday.

Mrs. Gordon Kessler and baby daughter and Miss Evelyn Kessler and E. Collins were visitors here Tuesday

Mrs. J. Campbell and Will Coughlin of Columbia Hill were visitors here Tuesday.

James Phelan took the boy that was in an auto accident Saturday evening to the Nevada City Sanitarium. The auto left the road on the turn this side of the Shady Creek bridge. The boy was suffering a great deal of pain as his knee was very badly hurt, the other two men that were in the auto escaped unhurt.

Mrs. James Phelan and mother, Mrs. T. J Flynn, and Clara Phelan were business visitors in Nevada City and Grass Valley Saturday.

Mr and Mrs. Dent and sons of Nevada City were visitors here Sunday.

Herb Curnow of Grass Valley was a visitor here Sunday.

Mrs. Dora Coughlin of Columbia Hill lost several large turkeys by the coyotes. The old mother turkey came home minus her tail feathers showing what a close call she had.

There was something very unusual on the highway the other day. A lady wheeling her baby up the high- way in its go cart. A little boy ready traveled two miles. It is over four years old with his wagon and a fifteen years since there was a baby large box of tomatoes in it going in its go-cart over this road and I up the hill. The little boy said, think some parts of the road it was "Horsey tired, mama". He had al- the first.

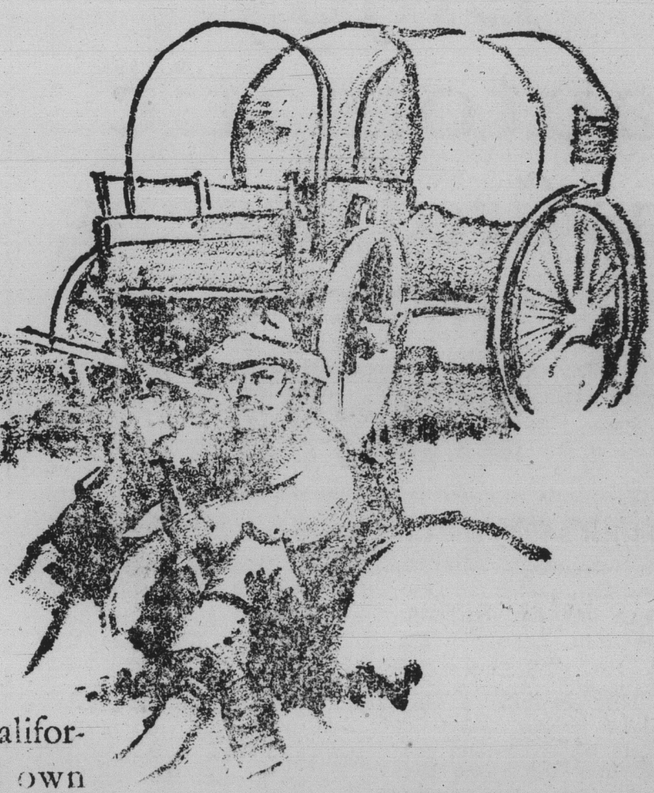
PROTECTION



THE men who settled California depended on their own courage and alertness in the struggle for survival. While government was chaotic, the pioneers found protection only in their own resources.

Yet these same men placed a high value on orderly government. They framed our first Constitution at Monterey. They fought for our admission into the Union. They laid the foundations of our strong banking system.

Today, protection is a specialized function of modern banking —a function developed to the highest degree by the Bank of America.

The protection this bank renders its customers is based on the sound banking laws of California—on unusually rigid self-imposed restrictions—on resources of more than 400 millions.

LEGAL NOTICE

NOTICE OF SALE OF FORECLOSURE

No. 5712

In the Superior Court of the State of California, in and for the County of Nevada.

BANK OF AMERICA OF CALIFORNIA, a corporation, Plaintiff,

vs.

SARAH C. DAY, LILA M. CHAMPION as Administratrix of the Estate of JOSEPH S. DAY, Deceased, and E. B. STEVENS, Defendants.

Under and by virtue of an Order of Sale and Decree of Foreclosure and Sale issued out of the Superior Court of the State of California, in and for the County of Nevada, on the 17th day of September, 1929, in the above entitled action, wherein Bank of America of California, a corporation, the above named plaintiff, obtained a judgment and Decree of Foreclosure and Sale against Sarah C. Day, Lila M. Champion as Administratrix of the Estate of Joseph S. Day, deceased, and E. B. Stevens defendants, on the 6th day of September, 1929, for the sum of $885.38 as principal, together with costs of suit taxed at $18.25, and counsel fees allowed herein amounting to the sum of $85.00, with interest thereon from date of said judgment, t the rate of 7 per cent per annum till paid, which said judgment is recorded in Judgment Book 8 of said Superior Court, on page 4 et seq.

I am commanded to sell all that certain lot, piece, or parcel of land situate in the County of Nevada, State of California, and bounded and particularly described as follows, to-wit:

Commencing at a point on the road leading from Nevada City to Banner Mountain, on North and South center line of said Section Eighteen, which point is 330 feet South of the South-east corner of the City of Nevada Townsite, thence South along said North and South center line of said Section Eighteen, 1035 feet, more or less, to oak stump blazed on four sides, and situate on West side of the tract hereby conveyed;

thence in a Northeasterly direction up a ravine 1015 feet, more or less, to a cedar tree blazed on four sides; thence in a Northerly direction 1040 feet, more or less, passing between barn and house along the center of private road as it now exists to the intersection of said private road with the public road to Banner Mountain; thence Westerly along the said last named road to the place of beginning.

Also all water rights and water ditches on said premises, or appurtenant thereto, or used in connection therewith as may be owned by said defendants or either or any of them.

Together with all and singular the tenements, hereditaments, and appurtenances thereunto belonging or in any wise appertaining.

Public Notice is hereby given that I will on Tuesday, the 15th day of October, 1929, at 11 o'clock, A. M. of said day, in front of the Court House door, in Nevada City, Nevada County, California, sell in obedience to said Order of Sale and Decree of Foreclosure, the above described property, or so much thereof as may be necessary to satisfy plaintiff's Judgment with interest thereon, and costs, to the highest and best bidder, for cash, lawful money of the United States.

Dated this 19th day of September 1929.

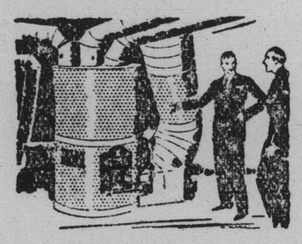
Enjoy automatic gas-fired heating



"So that's why the air is so warm and fresh!"

Have care-free, comfortable warmth by installing an automatic gas-fired heating system. It costs less. Works like any good system, except it burns gas fuel. Lasts for long years with little servicing. Modern ventilated firebox passes all products of combustion outdoors. Into your rooms flows heat as clean as the warmth from the sun.

There are many types of good gas-fired heating equipment. How can you know which to choose?

The experience of P G and E engineers and their knowledge of all types of gas-fired heating systems qualifies them to judge which is the most adaptable for each home. Their knowledge is for your benefit. For details, phone or call our office. Automatic heating installed for 10% down and terms.

STATE OF CALIFORNIA--DEPARTMENT OF FINANCE--DIVISION OF STATE LANDS

Statement Prepared by the Register of State Lands Pursuant to the Provisions of Chapter 846, Statutes of California, 1929, Showing Amount of Interest Paid on the Balance of the Purchase Price of the Following Described Lands in Nevada County, Together With Amount of Interest Unpaid and Due January 1, 1929.

Location or Survey No.	Date of Approval	Name and Address of Purchaser	Name and Address of Assignee, Grantee or Successor in Interest	Description	Section	Township	Range	Meridian	No. Acres	No. and Date of Certificate of Purchase	Amount of Unpaid Interest	Amount of Interest Paid and Due
216 Sac.	Jan. 16, 1871	Benjamin F. Colvin, Cf James G. Matteer, Grass Valley, California		W ½	16	15N	8E	M. D.	320	4037 Apr. 13, 1871	$126.65	$1760.00

Pursuant to the provisions of Chapter 846, Statutes of California of 1929, effective August 14, 1929, I, W. S. Kingsbury, Register of State Lands, do hereby demand that all interest shown to be unpaid and due by the foregoing statement shall be paid in full on or before December thirty-first, A. D. one thousand nine hundred and twenty-nine, to the Treasurer of the above named county, together with the sum of three dollars costs imposed by the provisions of said statute upon the owner or owners of each certificate of purchase listed in said statement, as well as upon each person who may have acquired an interest in all or some portion of the lands in such certificate described, but to whom the certificate has never been surrendered.

And Notice Is Hereby Given, That in the event such delinquent interest, together with such costs, be not paid within the time above limited, a penalty of twenty per cent of the aggregate amount of interest delinquent on December thirty-first, A. D. 1929, will be imposed in each case upon the person or persons liable for the payment thereof.

And Notice Is Hereby Further Given, That, except as otherwise provided in said statute, in the event any portion of such delinquent interest, together with such penalty and costs, and all additional interest falling due January first, A. D. 1930, be not paid on or before the thirtieth day of June, A. D. one thousand nine hundred and thirty, all lands on account of the purchase price of which such delinquency shall then exist are by the provisions of said statute declared to be forfeited to the State of California. together with all moneys previously paid on account of the purchase price thereof, whether for principal or interest, and all such certificates of purchase will thereupon become ipso facto null and void.

And Notice Is Hereby Further Given, That in the event the owner of any such certificate shall have died, without disposing of the lands therein described. and no administration of his estate has been had, the time of payment hereinabove prescribed is by said statute extended for a period of six months; provided, however, that appropriate probate proceedings must be commenced in each case not later than December 31st, 1929, and written notice thereof forwarded by registered mail to the undersigned Register of State Lands, at Sacramento, California.

And Notice Is Hereby Further Given, That any person having a conveyance of the whole or any portion of the land described in any such certificate of purchase, but to whom the certificate has never been surrendered, may protect his lands from such forfeiture, upon making due proof of ownership and paying his pro rata share of the interest delinquent thereon, with costs, as in said statute provided.

And Notice Is Further Given, That said statute extends to and includes all unlisted lieu lands and all unsegregated swamp and overflowed lands sold under the authority of any law of this state and included in the foregoing statement; provided, that all purchasers thereof, their heirs and assigns who protect themselves against forfeiture by making the payments required by said statute, shall not thereby be deprived of any existing right to receive restitution of all sums paid on account of the purchase price of such lands, whether for principal or interest, upon duly complying with all provisions of law governing such restitution.

In Witness Whereof, I have hereunto set my hand and affixed the seal of the Department of Finance. at Sacramento, California, this 1st day of October, A. D. 1929.

W. S. KINGSBURY,
Register of State Lands.

By W. S. Kingsbury, Jr.,
Deputy.

Section 3 of Chapter 846, Statutes of California, 1929.

"Demand is hereby made upon all persons who are or who may become liable for the payment of any interest which is delinquent or which may become delinquent upon any part of the unpaid portion of the purchase price of any of the lands embraced within any of such statements for the payment of all such delinquent interest, together with the costs hereby imposed, on or before the thirty-first day of December, A. D. one thousand nine hundred and twenty-nine; and in the event of the nonpayment of any portion of such delinquent interest, as above provided, a penalty of twenty per cent of the aggregate amount then delinquent is hereby imposed, in each case, upon the person or persons liable for the payment thereof. Except as otherwise provided in sections four, five and six of this act, in the event any portion of such delinquent interest, together with such penalty and costs, and all additional interest falling due on the first day of January, A. D. one thousand nine hundred and thirty, be not paid on or before the thirtieth day of June, A D. one thousand nine hundred and thirty, all lands on account of the purchase price of which such delinquency shall then exist are hereby declared to be forfeited to the state, together with all moneys previously paid on account of the purchase price thereof, whether for principal or interest, and all such certificates of purchase are hereby declared to be ipso facto null and void from and after such date last mentioned."

MOBLEYS SLIP AS THE CARRS CLIMB IN LEAD

The past week saw some startling changes in the lineup of the team standings in the Elks bowling league. The Mobley cew which had been coasting out in front since the season opened went to the mat for the count of ten while the Carrs walked all over them on Tuesday nights for four points. Each team shows 10 points, but the Carrs have won 8 of the 12 games and have a total pin count of 8325, while the Mobleys show 7 games won and 8170 pins. The Curnow steam roller got into action Wednesday night and flattened out the hopes of the Fortiers, sending the latter into the cellar for the time being.

Mobley who started out in much the same fashion as he did last year is in a bad slump and his team was unble to pick him up. His average dropped 7 points and he is now in second place in individual averages and tied for total psares, losing the lead in total strikes. Willoughby was on a strike rampage and hung up an average of 194 for the night nd high total pins for tournament games for the past two years, with 582 total. Charley Leiter pulled off some fancy work with second honors for the week with a pin total of 489 and bringing his average up from 139 to 147. Dave Richards was not far behind with 474 pins and he pulled his average up 9 points. Kopp showed some flossy shooting with four doubles to his credit but missing some of his spares cost him a point in his average. Louie uses a wide sweeping ball that posseses wicked execution when it hits the right pot. Nickless boosted his average a pin by some good work.

That the teams are very evenly balanced is shown in the pin totals the bottom team being but 207 pins behind in four weeks of play. The handicapping system is being omitted this tournament and it appears to be meeting with good commendation among the players. Under the old system a team playing above its usual form one week was penalized the next week as a result. There is talk of working a tournament in the spring in conjunction with Grass Valley which would furnish a lot of sport.

The Grass Valley teams get into action on October 14th with a large number signed up for play. Perkins will handle the score meet again.

The results of the past week's play are as follows:

Ghidottis			
Ghidotti	133	133	133—399

HIGH SCHOOL NEWS

WITH BALL AND RACKET

If one were to watch the Physical Education classes in progress, he would think it a shame that the N. C. H. S. does not have a football team. The boys show promise of wonderful ability on the field. Altho they do not indulge in anything so terrible as real-tackle, they develop quite an ability to dodge their opponents whose aim is merely to touch them. It is rather hard for the side opposing our promising Thomas Hogan, to throw the ball high enough in the air to be out of Tom's reach. He shows wonderful ability in reaching up to the heavens and grabbing the ball in one hand and dodging hither and thither among the players to a touch-down This is a considerable feat when one considers that all the opponent has to do is to touch him. The boys have shown real skill in their trick plays and lateral passes. In fact, they are so baffling that often the side that is executing them desn't know where the ball is. As interesting as the game may be, it immediately loses its present attraction when Mr. Pedersen blows the whistle, a signal which means time for showers.

In the dressing room there is quite a conflab about who is going to get his shower first and one corner of the towel. One does not have to strain his ears to hear the outcries of "Where's my shoe?" or "Who swiped my pants?" But all in all, it is quite an interesting feature, "that 7th period Phys. Ed."

The basketball prospects seem to be very bright when we consider which has signified its intention to participate in this year's contests and bring fame, honor and championships to our beloved high school.

The boys are "raring to go" and this pirit will mean victory if its partner — coroperation — is ever present in the highest form. The support of the townsfolk, faculty and the students is extremely necessary in order to bring to Nevada City the results for which we desire and deserve.

The "A" boys are great in number, experience and ability and among the following are many veterans:—

1. Bob Beegel
2. Joe Cartoscelli
3. Edgar Davey
4. Alton Davies
5. Lionel Davies
6. Verne Gleason
7. Tom Hogan
8. Leroy Hoskins
9. Walter Huson
10. Bill James
11. Addison Janes
12. Milton Masters
13. Holden Pierce
14. Harrison Randall
15. Bill Rector
16. Floyd Stenger
17. Calvin Valantine
18. Bob Polglase

The "B" team aspirants are:—

1. Jim Davis
2. Calvin Fisher
3. Carl Hieronimous
4. Donald Macari
5. Carl Murchie
6. Vernon Sandow
7. Joe Sbaffi
8. Tom Wasley
9. Jack Rayner
10. Gerald Hogan
11. Max Flindt
12. Leslie Orzalli
13. Mike Cartoscelli

The "C's" and "D's" appear to have great speed, skill and the fighting spirit which start off the evening sets of games with an example for other teams to follow:—

1. Francis Bernard
2. Bill Tamblyn
3. Aldo Casci
4. Carl Baker
5. Hudson Gray
6. John Sbaffi
7. Warren Chapman
8. Henry Toccalini
9. Delbert Schiffner
11. Harry Davey
12. Bob Tucker
13. Bill Sharpe

JONES WINS TROPHY AT LOCAL GOLF COURSE

J. T. Jones won the jigger club offered by the Nevada County Golf Asociation for the lowest scoring twosome last Sunday. He was paired with A A. Willoughby ,they making low gross score of 44-47-91 for the 18 hole. In a nine hole playoff, Jones by virtue of a couple of birdies scored a 42 to 47 and won the honors. A M Hoge and Al Spargo carried off second honors with 100.

Other pairings were: Ray Sparnon and A. T Jones, 55-54-109; C. W. Leiter and W. T Garland, 51-51-102; Fred Nettell and T. D. Calhoon, 59-51-110; W E. Wright and G. L Clarke, 55-47-102; Ray Parsons and Henry Williams, 58-58--116; C. A. Rush and Ed Bennetts, 63-59-122; F F. Cassidy and C L. Clinch, 56-60-116; A. B Foote and J. Mann, 64-55-119; George Perkins and A H Mooser, 52-56-108; J. A Curnow and C. B. Grenfell, 65-60-125.

The club contemplates several tournaments to determine the proper ranking and handicap of the various players in preparation for the coming foothill league tournaments this fall and winter with Lincoln, Auburn, Placerville and the local clubs entered. The lack of tournament play has held back the local players considerably in the past and the tournament committee proposes to remedy this. C. Ray Clinch is chairman of the tournament committee and he has been giving the subject a great deal of attention.

The course is in wonderful shape at the present time. A new green is being built for No 5, the mystery hole. The tee for No. 8 is still in need of attention before it permits good play.

MRS. STENGER PASSES

Mrs. Mary Stenger, one of the pioneer residents of Nevada City, pased away early last week at the home of her daughter, Mrs. Iva Williamson. Funeral services held from the home Thursday were largely attended, attesting the high esteem in which the deceased was held in the community where she had spent so many years.

Deceased was a native of Luxenbourg, Germany, being born August 9th, 1839. She came to this country a few years later and was married in Wisconsin in 1855 to August Stenger. They came to California three years later and settled at Gaston where their first child, Henry, was born. They were at Gaston but a short time coming to Nevada City to make their future home. Surviving are five daughters, Mrs. W. E. Meservey, Mrs. Eugene B. Meservey, Mrs Iva Williamson and Mrs. H. H. Hallett of Nevada City and Mrs. L. E. Armstrong of Los Angeles; one son, Joseph, resides here.

Mrs. Stenger recently had the great pleasure of witnessing the golden wedding anniversary of her daughter, Mrs. W. E Meservey.

Stomach Test Free

If poor digestion makes you suffer from gas, bloating, heartburn, acidity, or sick stomach, try the Diotex 15 Minute Test. Absolutely harmless. Works fast. Five positive digestive aids, in pleasant tablet form. No soda, dopes or laxative. Get Diotex from your druggist today for only 60c. Absolutely free under the money-back guarantee, if it doesn't give stomach comfort in 15 minutes, and soon help restore good digestion.

CANDY MAKING EXPLAINED

Miss Catherine Parsons acted as hostess to the Shishiwa Group of Camp Fire Girls Friday afternoon at her home. The time was spent in explaining the making of various confections with Mrs. H E. Kjorlie as instructress.

BIRTHDAYS HONORED

The joint birthdays of Mesdames William G. Richards and Fred Searls, Sr., were properly celebrated at the E Merrit Rector home Thursday with Mrs. Rector as hostess. Cards and social patter whiled away the afternoon hours in delightful fashion and tasty refreshments were served to which ample justice was paid.

Leroy B. Johnson, former resident of Nevada City was back last week for a short visit. He was the son of attorney J. B. Johnson. He is connected with the Golden Gate Park commission in San Francisco.

The Pocahontas girls gave a free dance Saturday evening to open their fall series.
